At last we have had some wonderful weather over the last few days. With the problems with air travel and the consequent problems with ferries being full to overflowing perhaps the holiday industry in this part of the world will benefit.

Bob and Carol Beard are again opening up their land for the, now annual, bluebell walk, thank you both on behalf of all those who take you up on the offer.

Keep an eye on the dates being advertised by the History Society as some have had to be changed for various reasons beyond the organisers control.

Francis & June Jarvis celebrated their Golden Wedding on Friday 16th April. Our congratulations and best wishes to them both for many more happy years together.

On a sad note we are all sorry to hear of the death of Amelia Mackay, the grand daughter of Angy Davies from Yellands Park, at such a young age. Our sympathies to Angy and the family at this sad time.

David

INTER PARISH QUIZ.

Kingston were up against Ugborough in the first round of the Ken West Plate. Played on Tuesday evening 23 March at the Reading Room. As it turned out, it was an hilarious evening, played in very good spirits from both teams, helped no doubt by the few pints they had before and during and certainly after the match. The lead changed several times, with Ugborough coming out as the winners 75 - 72. Thank you to the ladies who kindly did the teas and washed up during the interval. A big thank you to the team members Chris, Lesley, Nigel and Mark for taking part, Hope to see you ALL next year.

April has been an eventful month to say the least. The wonderfully warm spell at the middle of the month meant for a busy Easter break for our new team of car park rangers at Wembury beach. Many people became a member of the National Trust, enabling their membership money to be used in the local area for such work as improving footpaths, repairing fences, hedges and renewing information boards to name but a few.

April also saw the arrival of the first Dartmoor pony foals up at Wembury Point. Pongo, a Dartmoor cross British native spotted pony was born on the 5th April. His unusual markings were met with much interest and surprise from the public and press alike. Several more mares are due to foal in the coming weeks, so keep your eyes peeled for other new arrivals.

The Yealm estuary played host to several intrepid explorers through the Up the Yealm – Canoe adventure on 13th April. All of us set out in our Canadian canoes to paddle up the estuary to gain some stunning views of the shores and woodlands as well as getting close to some of the bird life as we paddled quietly on by. A beautiful low-tide secluded beach was a prime spot for bonfire baked potatoes and a reinvigorating cuppa. Everyone fully enjoyed themselves and the weather could not have been kinder for us.

Now for some up and coming events in May:

Thursday 6th May – 10am – 1pm - **Bluebell walk through Wembury woods** Join the National Trust warden for a stroll through the woodland path through Wembury woods and enjoy the sights and sounds of Spring. Starting from Wembury Village car park, behind Wembury primary school SX528 496. Adult £3.

Sunday 16th May 11am – 1pm **Asparagus and Sea air event** at Worswell farm Noss Mayo. Come along and learn more about the cultivation of a delicious spring time veg, which includes a tour of the asparagus fields and cooking demonstration. Veg boxes will also be on sale. Booking essential. Adults £3 Child £1

Friday 21st May 7pm– Saturday 22nd 8am – Overnight and under the stars – a wildlife adventure for families. Set up a wild camp and after sunset enjoy some bat watching and star gazing. Round the camp fire enjoy hot spuds and some nighttime storytelling. Then its heads down because they'll be an early start to catch the dawn chorus (5am). The adventure finishes with a bacon roll, juice and a coffee. Adult £15, Child £5. Booking essential.

Friday 28th May – 10.30am – 3pm - **Discover butterflies and blennies**
A family wildlife adventure.

From countryside to coast, discover amazing bugs, unusual plants, fascinating trees, and curious sea creatures. Spend a whole day with a National Trust Warden and Wembury Marine Centre staff exploring the woods, wetlands and rock pools. £3 Adult, £1 child. Booking essential

For further information about any of these events please look on the National Trust website or call the South and East Devon Countryside office on 01752 346585

Finally a big Thank you to any of you who took part in the Ayrmer beach clean and survey on the 27th March. All the data was passed onto the Marine Conservation society who will collaborate it with nationwide surveys.

Please stop and have a chat to the team if you see us out working or if you have any comments about the work of the National Trust. For further information please call Richard Moore on 01548 810197 or email richardmoore@nationaltrust.org.uk

TIME TO TAKE STOCK?

From time to time it's a good idea to take stock of our lives. How have we been doing recently? Where are we going? Which way should we go?

When the Ascension of Jesus took place, the disciples were left gazing up into the empty sky, wondering what to do next and hoping that something might happen. That "something" was to be the gift of the Holy Spirit, who would enable them to carry out the command of Jesus to proclaim the gospel to a pagan and hostile Roman world. Thus Ascension Day, which this year is on 13th May, reminds Christians that the followers of Jesus are called to carry out God's work on earth. It's a very good time to take stock.

A good starting point is to **look around**, to look at the wonder of the world around us, with its beauty, complexity and vastness, to remember all the good things we enjoy ("count your blessings, name them one by one"), to think about God's love in sending Jesus to be the Saviour of all who trust him;

Sadly, there is much evil in the world. It's unfashionable to believe in the devil, but the Bible describes him as a "roaring lion, looking for someone to devour". Evil insinuates itself into people's lives, so **look out**, and be prepared. As Jesus said: "watch and pray".

The way to overcome evil is to **look up**, and keep our eyes fixed on Jesus, "on whom faith depends from start to finish". St Paul wanted to take hold of Christ's purpose for him: perfection. He knew he hadn't got there, but was doing his utmost to achieve it. Christians should be increasingly Christ-like – and that's a challenge for everyone!

People sometimes get completely bogged down with immediate problems. We need to be able to **look ahead**, to press on with the work God wants us to do. We mustn't let the past drag us down; we must look forward, not back, learning from our mistakes, but not being disabled by them. God will forgive all our past failures if we confess them to him, and will also give us the ability to succeed. The prize can be ours!

God promises never to abandon us or let us down. Perhaps the final exhortation should be to **look lively**, to be energetic and active as Christians, living life to the full now in the way that God intends.

We have a great music act here on the 7th May called Le'vis singing Neil Diamond, Johnny Cash Elvis, Orbison etc.

On a sporting theme we need to prepare for the very popular cricket events of last year for our village match and against Modbury. Dates in August have been suggested on consecutive weekends and we would ask those interested in playing to let us have preferences over the coming couple of weeks so we can plan ahead. Speak to Geoff or Jan. We have also been challenged to a Tug-o-War with Ringmore and Modbury dates to come but again we need names to form a team.
